

# My Developer Evangelism Internship at Venmo

# About Me 👍

about to be a senior at NYU 📖

studying CS 🖥️

from Long Beach, CA ☀️

very big fan of Drake 😎

**What is developer evangelism?**

**I split my time between** development **and** outreach.  
**The idea: We recruit great talent, get developers  
building amazing technologies while incorporating  
Venmo, and do good for the tech community.**

# **Part One: (Front-End) Development**
